

# HERE'S the POINT

By SPENCE HELD

The following letter came this week to the Peninsula News:

"This is addressed to the party who shot the female boxer dog in the vicinity of Orchard, Del Mar and Sunset Cliffs Blvd. Saturday morning, May 12.

"To you she was a vicious dog to be destroyed. To us she was the protector of a confused old lady 84 years old. She died protecting that old lady.

"I found my mother wandering aimlessly along Sunset Cliffs Blvd., without the dog, and brought her home. Within an hour the police notified me that you, whoever you are, had taken Dolly's life.

"Dolly was a kind, gentle, loving and extremely intelligent dog. She was a friend of every child from two to 14 in the 4600 block of Tivoli St., and they all loved her.

"I do hope you read this and realize that every big dog is not vicious and may have a mission in life even as you and I. She died doing her duty as she saw it."

JOHN J. McKENNA  
4676 Tivoli St.

Well, it was quite a week for Point Loma High School. Gay Cowie, now a freshman at State College, won the Miss San Diego crown; the Pointer baseball team knocked off San Diego High 8-0; and two teachers and a former student received honors for the school at Valley Forge, Pa.

The teachers are Miss Jewel, dean Brodie, speech arts instructor, and her sister, Miss Wila B. Brodie, art instructor. With Richard Castro, 19, now attending State, they received an award from the Freedoms Foundation at Valley Forge for outstanding student work on U. S. history and Americanism projects.

Here's a quote from John Burroughs, the naturalist:

"I still find each day too short for all the thoughts I want to think, all the walks I want to take, all the books I want to read, and all the friends I want to see. The longer I live the more my mind dwells upon the beauty and the wonder of the world."

"One's own door opens upon the wealth of heaven and earth. Life is a struggle, but not a warfare; it is a day's labor, but labor on God's earth, under the sun and stars, with other laborers, where we may think and sing and rejoice as we work."

## Smoke But No Fire

## New Principal Announced For Pt. Loma High

A new principal will be in charge of Point Loma High School when students return to school next fall. He is James D. Clark, at present principal of Horace Mann Junior High School in the eastern section of the city.

Robert F. Heilbron, current principal at Point Loma High, will become one of two directors of secondary instruction, working out of Education Center.

Clark is a native San Diegan and a product of local schools, having attended Lincoln and Brooklyn elementary schools, Roosevelt Junior High, and San Diego High. He received his A.B. degree at San Diego State College in 1931, earned his M.S. degree at University of Southern California in 1935, and received his administrator's credential from Claremont in 1940. He also has done graduate work at the University of California.

He taught science, mathematics and shop classes at Roosevelt Junior High for 10 years, taught physics at San Diego High a short while, and became vice-principal of Wilson Junior High in 1941. He served at Wilson for 10 years before becoming principal of Mann Junior High five years ago.

Clark is a past president of both the City Schools Administrators' Club and the East San Diego Kiwanis club.

He and his wife, Nadeene, live at 4711 Norma Dr., where he has a well-equipped dark room for his photography hobby. They enjoy family trips in their house trailer. Clark and his son, James, Jr., do family automotive repair work in an almost professionally equipped garage.

James, Jr., is a student at San Diego State College, preparing to follow in his father's footsteps. The Clarks also have a married daughter, Mrs. Nadeen Bringle, who has two sons, 3 and 2, thus putting them in the grandparent category.

He and his wife, the former Elizabeth Russ, local Bank of America employee for nine years, left Saturday on an auto trip to Canandaigua, N. Y. There they will visit Capt. Hall's mother, who resides in the spacious old house once occupied by John Quincy Adams.

After a two-week visit, Mrs. Hall will return to Ocean Beach (4696 Green St.) temporarily while her husband travels by air to Addis Ababa, Ethiopia. He is scheduled to leave New York June 1. Mrs. Hall expects to remain here for several months until he establishes a home abroad.

## LITTLE LEAGUE

In the opening day first game, Kiwanis defeated Rotary 10 to 5, before the largest crowd in Point Loma Little League history. Kiwanis got 16 hits and Rotary 8.

Mickey Burkholder, Bruce Kehrl, Clyde Campbell, Dennis Wilson, Don Royal and Kent Zender each got 2 hits for Kiwanis. Joe Soares gave Rotary a lead in the third inning with a bases-loaded home run. Don Sweek, Dave Lauren, and Joe Soares got 2 hits each for Rotary. Batteries for Kiwanis were Bruce Kehrl and Lynn Kemp; Rotary, Tom Bailey and Glen Wyer.

Ricky Thompson got 2 hits for De Falco's. Timmy Faris, Danny Nunes, and Bob Ahren got hits for Optimist. Tiny Glen Holmes started a sparkling double play with a fine catch of a line drive and a throw to first.

Mr. and Mrs. Michael Colonell have bought the Frank W. Fink home on Ibsen St. They have three daughters, Nancy, Janis, and Debra. Mr. Colonell is owner of a box company.

## SERVICE CLUBS & OPTIMISTS WIN PONY LEAGUE OPENERS

The Service Clubs defeated the Merchants, the Optimists knocked off the Moose, and 7-Up outscored Fleetridge in Saturday's opening games of the Ocean Beach-Point Loma Pony Baseball League.

Scores were as follows: Service Clubs 3, Merchants 1; Optimists 15, Moose 4; and 7-Up 4, Fleetridge 3.

Steve Evarkion of the Moose hit the season's first homer. First double play was registered by the Merchants.

Ray Hermans, president of the Poco Club, which now has a

membership of 80 boys and girls, umpired all three games Saturday.

Richard Maxey, captain of the Merchants team, was unable to play because of a broken arm received in practice when he ran into a pole, Hermans reported.

In a 10-inning game Monday evening, the Service Clubs beat Fleetridge by a score of 4 to 3. Pony League games are played Monday, Tuesday and Thursday at 5:15 p.m. at the O. B. Community Center field, with three games on Saturdays—at 10 a.m., 12:30 and 2:30 p.m.

## 100 Sailboats To Race At Mission Bay June 3

More than 100 sailing boats from the Mission Bay Yacht Club will participate in one of the most colorful regattas ever staged in the Southland as part of Mission Bay Day festivities on Sunday, June 3. The event will be the first race of the club's summer series, and the club's own power fleet will assist in patrolling the triangular course.

Officially proclaimed by Mayor Dail, Mission Bay Day is intended to acquaint all citizens in the city and county of San Diego with the multiple recreational advantages which the Bay area affords to everyone. The day's program is open to the public without charge.

Commodore George S. Warren of the Mission Bay Yacht Club has promised full cooperation from the 250 members of the organization in making the Bay festival an outstanding success. Oldest organized group on Mission Bay, the yacht club was first formed in 1927, with Thomas O. Scripps as the first commodore.

The 100-boat sailing regatta is only one of many features planned for Mission Bay Day, according to Paul Hartley and Gerald Cray, co-chairmen of

the first annual event. In addition, the San Diego Angling and Casting Club plans a plug and fly casting contest with generous prizes, open to dad, mother and the youngsters at the Model Yacht Basin on Tierra del Fuego in Mission Bay. The Coast Guard Auxiliary Speedboat Flotilla 18 will stage its crack precision boat drill team, while the San Diego Archery Association will present a bow-and-arrow exhibition by its experts.

The San Diego Speedboat Club is featuring several Pacific Coast title holders in a 17-aft water ski circus. Two eight-oar barges will be rowed by picked crews of women from the Zia Rowing Club.

Special exhibitions of skin diving, racing, swimming, golfing and an air-sea rescue by helicopter are also planned.

## PLAN YOUTH CAMPING AREAS IN BAY PARK DEVELOPMENT

Seventy thousand San Diego children will be provided aquatic camping areas in Mission Bay Park if city voters approve Proposition B—Mission Bay Improvement Bonds—at the June 5 election.

Nearly \$250,000 of the proposed \$5 million bond issue is earmarked for development of more than 100 acres of camping grounds and over two miles of superb beach for the use of organized youth groups. These groups include those from schools, churches, city park and recreation department, and recognized youth organizations.

Two separate areas would be created in the south central portion of Mission Bay. One for girls would be on Cabrillo Island (to be connected to the shore by a neck of land); one for boys would be on nearby Portola Point. The boys' area would be 70 acres with 6,900 feet of shoreline. The girls' area would consist of 39 acres with 4,000 feet of shoreline.

The proposed camping areas would be man-made. Marshlands where these areas are now located would be filled to an elevation 12 feet above the high tide line. When completed the areas would have beaches of pure white sand nine feet deep and 90 feet across. The filling of the land and the construction of the beaches would make the areas ready for development of roads, facilities, utilities, landscaping, etc.

In anticipation of better meeting a youth aquatic program, a dredge and fill plan for the areas is now being revised to provide for the addition of a series of small coves for swimming and light boating to the shoreline pattern.

The camping areas would be made available to organized youth groups by the Mission Bay Park Commission under minimal rent—\$1 a year—as required by law.

Because of the provision for the youth camping areas the Community Welfare Council has endorsed the Mission Bay Bond issue. The council represents more than 100 health, welfare or recreation agencies in San Diego.

(Ruth Martin is co-chairman.) A trophy will be awarded the most beautifully decorated buggy.

Maria Fielding, dance director for San Diego Park and Recreation Dept., will present approximately 30 children in an Easter Ballet at 2 p.m., Sunday. The dance program will include: "The Weggis Dance," "Taran-tella," "Way Back Home," "California, Here I Come" and "My Blue Heaven."

### SQUARE UP

Dennis Turner, 5, is one of the youngest square dancers in San Diego County and, perhaps, the United States. A member of the "Pixie Squares" (a La Mesa group restricted to 5 and 6 year-olds), Dennis has danced for local club and has been televised coast-to-coast when the 24 youngsters of his group danced at the Fiesta of Western States.

Mrs. Gladys Rougey, instructor, started them a year ago for her own five year-old daughter, who also is learning to call.

Now the "Pixies" have been honored with an invitation to dance at the National Convention of Square Dancers to be held here June 22-23-24. The only other children's group invited to dance is a teenage professional group from Hollywood.

When Dennis dances he wears brown frontier pants, white shirt with yellow bow tie and brown shoes. He'll have a new "surprise" costume for the convention, said his mother, Mrs. Ralph L. Turner, 2919 Jarvis St. Dennis is a kindergarten pupil at Cabrillo school.

### LOG CABINEERS

Mr. and Mrs. Bob Fernandes, newlyweds (April 28), have just bought their first home, a two-bedroom log cabin on the north end of Lake Tahoe, in a village called Tahoe. They're buying furnishings, getting packed, and expected to leave about June 1.

Mr. Fernandes will commute by motor boat from his own private pier to the summer resort where he will be water ski instructor.

Mrs. Fernandes is the former Maureen Campbell, daughter of Mr. and Mrs. Dallas S. Campbell, 1032 Moana Drive. Mr. Fernandes, son of Mr. and Mrs. Raul Fernandes, of 3035 Poe St., was formerly associated with his brother, Harold, and his father in the grocery business in the Peninsula Area.

### BIG MONEY

Teenage customers at an inn on W. Point Loma Blvd., get wide-eyed when owner Jack Huddleston shows his "big money." Most of these youngsters have never seen the old bills, which were almost a fourth larger than our present currency.

Mr. Huddleston has three of the old "greenbacks," a two dollar, a one dollar and a one dollar, which, in error, was printed without the US seal.

The \$500 Keepsake diamond ring that Frank P. Clark, of 4988 Del Monte Ave., won at Wolf Jewellers recently, is not the only thing he's won. Once when he was a hardware merchant in Globe, Arizona, a stranger gave him a chance on a mule.

"Next day the mule and a bill of sale were delivered to me," said Mr. Clark. "I didn't have any use for a mule so I sold it for \$25 to a cowboy who was in my store at the time."

## Expo-County Fair To Introduce 'Flying Indians'

One of those age-old rites which still survive among the Indians of remote villages in Southern Mexico, near the border of Guatemala, and one of the most interesting and spectacular, the dance of "El Palo Volador" will be seen for the first time in this country at the Southern California Exposition and County Fair, at Del Mar, June 29 through July 8, Manager Paul T. Mannen announced.

"Perhaps of all the attractions we have presented, this, in our opinion, is the most outstanding," Mannen said.

Translated, El Palo Volador means The Flying Pole. Except for the fact it is 100 feet high, the pole plays a minor role in the exhibition. Six Indians perform a dance atop the pole, on a platform measuring 24 inches in diameter, then fly to earth on long, unwinding ropes in a steady crescendo of widening circles around the pole.

## Cerebral Palsy Drive Clarified

The current fund campaign for cerebral palsy is in no way connected with the Cerebral Palsy Foundation of San Diego County.

This statement was made by a special committee of the Community Welfare Council board of directors after a joint meeting of both agencies.

The group currently conducting a campaign for funds, the United Cerebral Palsy Association, is a newly formed affiliate of a national organization.

Concern of the Council centers around apparent duplication of effort between the established program of the local organization and the proposed program of the national affiliate, and the duplication of fund-raising effort.

The San Diego group, which is supported through the annual United Success Drive, serves cerebral palsied children through its program of case finding, consultation with families of cerebral palsied children, and providing transportation and equipment where needed.

Pending further study by the Welfare Council both agencies have agreed to continue meetings in an effort to arrive at a solution which will be in the best interests of the cerebral palsied children and adults of the San Diego area.

## Arthur Stone Named To Head Drive Here

Arthur Stone, of Ocean Beach, has been appointed an area chairman of contributions in the current United Cerebral Palsy fund drive.

Dean Parrish, general campaign chairman of the current drive, which is coordinated with the national fund drive, said money collected in San Diego county will be used to broaden rehabilitation services for the more than 1000 cerebral palsied in this area.

## Ocean Beach Woman's Club Elects New Officers At May Breakfast

By MARIAN KRETTLER

"The old order changes, yielding place to new," and so it was at Thursday's May breakfast of the local Woman's Club. The much beloved president, Edythe Kenline, stepped down from her office to assume a minor position in her club's activities. This is the second time Edythe has been president. If she shed some tears it was not because anyone had injured her, but the nostalgia we all feel when a well-loved situation goes away.

New officers were elected. For the second time Mrs. Sylvan Planson will preside. Mrs. C. E. Hunter was chosen as first vice-president, while Mrs. Ralph Stothard takes over as second

vice-president.

Mrs. Julia McGarvey, who, by the way, was the first corresponding secretary who the club was organized many years ago, returns to her old position as secretary. Mrs. G. G. McDonald is financial secretary and Mrs. Mark Keeney will be the historian. Mrs. George Kenline is to be the treasurer.

The breakfast menu was fine, and the clubhouse was a bower of beauty with the many blossoms culled from our own gardens. As the parody on an old song expressed it in the community sing, "Nothing could be more peachy than to live in Ocean Beachy in the morning."

## Silvergate PTA Plans Dance Fri.

A donation of \$1 will admit one couple to this evening of fun, frolic, and refreshments. Make donations to: Mrs. S. Thien, AC-3-5158; or Mrs. G. Gerrodette, AC-3-7002.

Did you know that you can take your children along and leave them under supervised care while you enjoy activities of the "Mr. and Mrs. Club" at the San Diego YWCA? Call BE-9-0355 for information about this Red Feather activity.

### Proposition 'W' Vital To County

Proposition "W" should win emphatic approval at the election June 5 because it is a no-tax-increase measure that will bring the maximum supply of Colorado River water to Southern California within a few years, according to Fred A. Heilbron, chairman of the San Diego County Water Authority.

Heilbron, who heads the committee supporting the proposition in San Diego County, is a director of the Metropolitan Water District which operates the Colorado River Aqueduct system.

"Proposition 'W', simply stated, would authorize short-term notes for an estimated \$50,000,000 to complete the Metropolitan aqueduct," he said. "The notes would be paid off from the \$170,000,000 in annexation fees pledged and being received by the District over a 30-year period by areas annexed to it since it was established. It should be distinctly understood that Proposition 'W' is not a bond issue."

"Of particular importance to San Diego County is the fact that passage of Proposition 'W' will firm up the supply of Colorado River water we are now receiving."

### TO DISCUSS VOTING HABITS ON TV PANEL

Jansen, assistant professor of political science, will join the regular panel members: Dr. Ned Joy, Dr. David Malcolm and Dr. Martin Ridge.

The TV University series is held each Friday at 10 a.m. on channel 8.

## Bow-and-Arrow Experts To Shoot In Mission Bay Day Celebration

San Diego County's finest bow-and-arrow experts will put on an exhibition of precision archery at the first annual Mission Bay Day celebration, which is scheduled for Sunday, June 3.

Mission Bay Day was recently proclaimed by Mayor Dail to acquaint the public with the recreational advantages which the Bay area offers.

Rube Powell, well-known bow-string-twanger and three times winner of the national field target archery title, is coaching fellow members for the Mission Bay Day shoot. According to Cdr. Chauncey B. King of the Navy Electronics Laboratory, president of the San Diego Archery Association, six 4-foot targets will be set up at Mission Bay so that the public can see modern Robin Hoods in action.

The shoot is being staged officially as a National Archery Association event, with each contestant shooting a total of 90 arrows at ranges of 60, 50 and 40 yards to make up a Standard American Round. One target will be set up especially for juniors shooting at ranges of 50, 40 and 30 yards.

In addition, there will be special demonstrations of balloon shooting and trick archery. The San Diego Archery Association, with a membership of 2,000, is composed of seven clubs, including Convair Archers, Rohr Archers, Palomar Archers, Oceanside Archers and the San Diego Field, Target and Cross-bow clubs.

"There is tremendous public interest in archery in San Diego," Commander King pointed out. "Our target ranges in Balboa Park are already overtaxed, and we look forward to the completion of Mission Bay and setting up of archery ranges in this potentially fine aquatic playground so that we might better serve the many local bow-and-arrow enthusiasts. Ultimately, we hope to bring the national archery tournament to San Diego and Mission Bay."

Approximately one-half the membership of the San Diego Archery Association is composed of women and girls, King said. Between 300 and 400 are youths. Members range in age from 8 to 68 years.

If you want to streamline your girlish figure through healthful exercise classes at the YWCA, for information on this Red Feather service, call BE-9-0355.
